### About the University

*Madhya Pradesh Bhoj (Open) University, Bhopal Madhya Pradesh*, is a UGC-recognized University with the status: Open University. It is also known as Bhoj University. It was established in 1991 under an act by the state legislature. The university's efforts for extending and expanding Higher Education by reaching the un-reached through various flexible means, which suited to the Open and Distance education mode using emerging information and communication technology. The university aims to spread and promote higher education among the underprivileged and has set up study centers in remote rural areas.

### The Workshop

Using a Learning Management System or LMS to support learning in ODL will help adapt to the current reality and trend. The internet has brought a range of possibilities to offer learners a dynamic and interactive learning experience that will enhance their goals and reach their most significant potential. Using a learning management system (LMS) can provide several advantages that can help an ODL institution to boost the productivity and efficiency of its academic resources. The LMS solutions allow learners to access their learning 24x7 through their computer or any mobile device. In the state sense, the *Centre for Internal Quality Assurance (CIQA)*, MPBOU, Bhopal, is organizing an online workshop on "Learning Management System: A Step to Flexible Learning" for college and university teachers during 7-12 November 2022.
