

## **Electoral literacy club**

The Electoral Literacy Club will function under the supervision of the Social Responsibility Cell of the university.

### **Objectives of the club**

- To promote awareness of the 'Right to Vote' among learners, faculty members, and community
- To facilitate voter registration for its eligible members who are not yet registered.
- To familiarize the targeted inhabitants with voting machines like EVM and VVPAT.
- To help students understand the value of their vote.
- To inspire citizens to exercise adult suffrage right confidently
- To create awareness of voting ethics.

### **Constituent Members**

Director Academics will be heading the club. The Director of the student support center and all the faculties of political science and sociology will be de facto guardian members of the club. All the learners and alumni will also be members of the club.
