## **Placement Report**

The Placement Cell of Madhya Pradesh Bhoj Open University, Bhopal was established on August 19, 2002 . It plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The objective of the cell is to facilitate the students to meet the Industries recruitment process and to motivate students to develop Technical knowledge and soft skills in terms of career planning & goal setting. One of the main objectives of the cell is to provide meaningful employment opportunities to its students as well as alumni at all levels matching with their personal and academic profiles.

With our association with School Guru, there were approximately 720 to 500 OJT openings shared with students and over 100 interview opportunities were given to our students. More than 15 students were shortlisted and one of candidate has also joined with a company through our placement cell's efforts.

Our placement cell is work in progress and it will continue to provide platform for our students to grow by conducting workshops like WorkX Training, etc.
