### About us: Overview

Madhya Pradesh Bhoj (Open) University (MPBOU), established in 1991, is dedicated to expanding higher education through flexible means, particularly Open and Distance Learning (ODL), leveraging emerging information and communication technology. The university focuses on reaching the unreached, emphasizing inclusivity for diverse groups, including tribal and underprivileged communities. The foundation stone was laid in 1992 by the then President of India, Dr. Shankar Dayal Sharma.

MPBOU's vision is to be an institution of excellence in ODL, promoting societal needs and sustainable development goals. The mission includes building an integrated open education system, leveraging ICT for academic governance, achieving global academic standards, fostering competitiveness, and ensuring inclusive, equitable, and quality higher education for all.

Values of access, inclusion, ethics, and excellence guide MPBOU's commitment to providing value-based education. The university's management involves statutory bodies, regional centers, and study centers, ensuring effective delivery of programs. Academic and administrative departments cover a wide array of disciplines, reflecting a holistic approach to education.

MPBOU's commitment to student-centric, value-based education is evident in its efforts to reach marginalized communities and provide inclusive learning opportunities, aligning with its vision of creating future global citizens.

## **Institutional Development Plan**

Madhya Pradesh Bhoj Open University (MPBOU) aspires to be a leading Open University by 2026, emphasizing outreach, value-based education, quality study materials, and transparency. Guided by the motto "Education for all and all for Education," the university focuses on governance, administration, and student-centric initiatives.

In reaching out, MPBOU targets expanding higher education access through flexible means, particularly for marginalized communities. The university boasts 11 regional centers and 126 study centers in tribal-dominated areas, catering to diverse sections of society. Initiatives like fee exemptions for transgender learners, jail inmates, and orphans showcase MPBOU's commitment to inclusivity.

Value-based education is a core principle, promoting ethical behavior, inclusivity, and mutual respect. The university prioritizes the creation of a transparent and accountable environment in institutional governance.

Quality study materials are central to MPBOU's mission. The emphasis is on creating engaging, accessible, and up-to-date Self Learning Materials (SLM). These materials play a crucial role in facilitating learning, clarifying doubts, and providing continuous evaluation.

Transparency is upheld through open communication and clear instructions. The university's commitment to transparency aligns with its values, fostering an environment of trust, acceptance, and understanding.

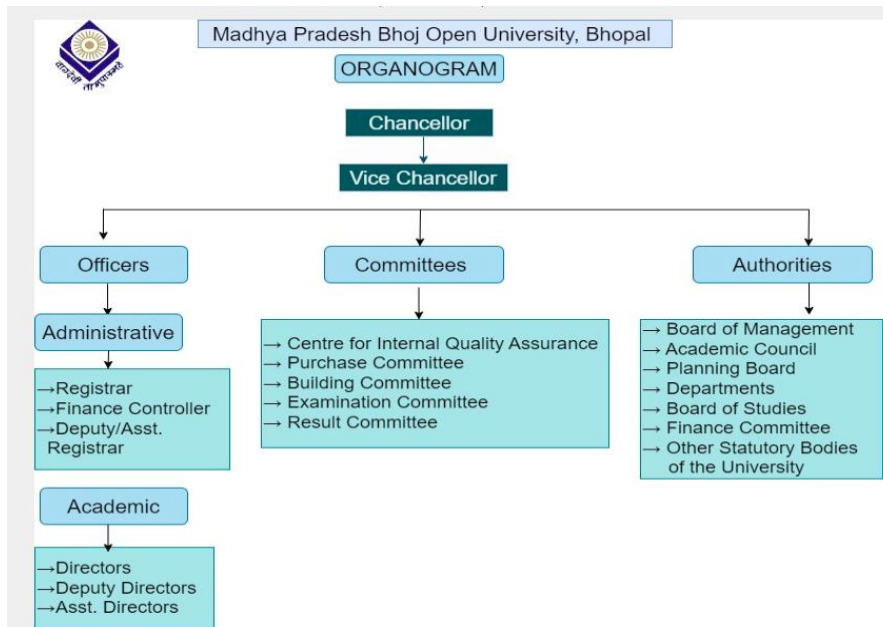

In summary, MPBOU's strategic vision revolves around extending quality education, instilling values, providing accessible study materials, and ensuring transparency in its operations, ultimately contributing to the empowerment of diverse learners.

#### [Library: Basic information at a glance](#)

The library at Madhya Pradesh Bhoj Open University (MPBOU) serves as the backbone of the institution, fostering academic excellence and research. With a collection of 24,518 books, it provides a diverse range of resources for students and faculty. The Learning Management System (LMS) developed by the Department of Higher Education, Madhya Pradesh, enriches the learning experience.

In line with modern educational practices, MPBOU subscribes to DELNET, enhancing access to a vast network of resources. The library, equipped with an internet facility, encourages students to explore beyond conventional boundaries. Additionally, a Digital Library, featuring five computers, offers e-books, e-resources, and e-Journals, aligning with AICTE norms.

The library's 'e-Granthalaya' aids in efficient database management. Recognizing the importance of Open Educational Resources (OER), the library integrates these materials, promoting open access and collaborative learning. The library is designed to be inclusive, providing a conducive environment for divyangjan (specially-abled individuals). It is well-ventilated, accommodating footfall from both faculty and students, contributing to a vibrant academic atmosphere at MPBOU.

## 5) Research

### Research and Development Cell

The Research and Development Cell at Madhya Pradesh Bhoj Open University serves as a dynamic hub for nurturing a culture of research and innovation. Tasked with coordinating research endeavours across diverse Schools and Institutes, the cell actively organizes induction programs and workshops tailored for Ph.D. students, fostering a collaborative and intellectually stimulating research environment.

With an impressive track record of awarding 323 theses, the university places a strong emphasis on transparency and academic integrity in research practices. It is registered under Inflibnet - Shodhganga, providing a comprehensive repository for theses. The integration of the Urkund plagiarism software aligns with UGC regulations, ensuring the highest standards in scholarly work.

In a bid to enhance research facilities, the university strategically plans to acquire licensed versions of pivotal statistical software like SPSS, NVIVO, and AMOS, facilitating robust quantitative data analysis. The central library stands as a valuable resource, housing 421 books/papers dedicated to research, coupled with offline journals and online access to repositories such as DELNET, the national digital library, and Swyamprabha programs. Collaboration with the Consortium for Educational Communication (CEC) further amplifies learners' access to e-content, solidifying MPBOU's commitment to fostering research-driven academic excellence.

### **7) Campus Harmony & Well Being**

Madhya Pradesh Bhoj Open University (MPBOU) prioritizes Campus Harmony & Well-being, fostering a vibrant environment that goes beyond academics. The university thrives on a cordial atmosphere, with faculty members dedicated to creating a helpful and inclusive space for students. An active help desk and a supportive alumni association contribute to a nurturing ecosystem.

The campus is designed with green spaces and rich biodiversity, featuring gems like Arogyavatika and a Herbal Garden that emphasize holistic well-being. A dedicated Student Corner on the website ensures students have easy access to information and resources.

The University places a strong emphasis on the mental health and well-being of its learners. The university actively provides counseling services and organizes induction programs to facilitate a smooth transition into university life. In alignment with its forward-looking approach, MPBOU has plans to introduce e-mentoring, acknowledging the significance of digital support systems. Additionally, the university conducts lectures on National Disability Day, spearheads various activities, and engages in social services through its study centers, particularly focusing on the needs and inclusivity of learners pursuing special education programs like B.Ed. This multifaceted approach underscores MPBOU's commitment to holistic student support and inclusive education.

Yoga sessions and health camps are regular features, emphasizing physical and mental fitness. This comprehensive approach to Campus Harmony & Well-being aligns with MPBOU's commitment to creating an environment where students can flourish academically, emotionally, and physically.

- **Internal Quality Assurance Cell**

The Centre for Internal Quality Assurance (CIQA) at MP Bhoj Open University is a crucial entity dedicated to ensuring and enhancing the quality of education and learning experiences for students. At the heart of quality assurance and enhancement activities, CIQA plays a pivotal role in planning, guiding, and monitoring these efforts across the university.

CIQA focuses on empowering all university departments to optimize resources, maximize opportunities, and build a quality culture. The center actively involves all stakeholders, creating flexible activities to meet diverse needs. It systematically channels the university's efforts toward academic and administrative excellence, acting as a facilitative and participative organ in the quality journey.

Committed to continuous improvement, CIQA envisions a quality culture at institutional, regional, and study center levels. The center is instrumental in developing and implementing quality assurance policies aligned with national and international standards. It conducts regular internal audits, supports faculty in adopting effective teaching methodologies, and fosters a culture of continuous improvement and innovation.

CIQA engages in benchmarking exercises, comparing the university's programs and processes with other institutions to identify and adopt best practices. The center also places a strong emphasis on faculty development, student feedback mechanisms, alumni engagement, and monitoring and mentoring services.

In essence, CIQA is the driving force behind MP Bhoj Open University's commitment to excellence, professionalism, and innovation, ensuring a sustained focus on quality in all aspects of academic and administrative functions.
