DISTANCE EDUCATION COUNCIL

F.No.: DEC/MPBOU/BPL/MP/2009
Dated: 06.10.2009

Sub: Post-facto recognition of DEC to MP Bhoj (Open) University, Bhopal, Madhya Pradesh- Reg.

Dear

This has reference to your application requesting for post-facto recognition of Distance Education Council for programmes offered through distance mode by the MP Bhoj (Open) University, Bhopal, Madhya Pradesh.

In this connection, we would like to inform you that based on the recommendations of the expert committee that visited your university, the Chairman, Distance Education Council has accorded post-facto approval to your university for programmes offered through distance mode with effect from 1995-97-2007-08 as per the enclosed list as Annexure-I. Prior to March 1995, there was no system for giving recognition to correspondence courses or distance education programmes and therefore the issue of post-facto approval for such courses during that period does not arise. The certificates issued by the university stand automatically recognized if they were approved by the relevant authorities of the university. It may be noted that any degree/diploma/certificate offered through a franchising agency by the university does not have the approval of Distance Education Council.

Further, we would also like to inform that, it is the responsibility of the university to follow the norms prescribed by the concerned regulatory bodies or seek their recognition for professional/technical programme/s as per the requirements. Getting approval of concerned statutory apex body for relevant programme/s will be the sole responsibility of the university. The territorial jurisdiction for offering distance education would be as per the Acts and Statutes of your university.

With regards,

Yours sincerely,

(Director, DEC)
